

NEW ENGLAND FISHERY MANAGEMENT COUNCIL
Inflation Reduction Act Initiatives

I. STATUS

- A. Meetings: Project Oversight Teams as well as staff teams are continuing to meet to plan for and advance progress on all IRA initiatives. The Parnin Group hosted a workshop to develop a draft Holistic Strategic Plan on January 6-7. A staff-to-staff workshop involving the three east coast councils and ASMFC is planned for late February.

Staff Coordination: Staff continue to engage at a regional level in the East Coast Coordination Group and Core Team and meet at least monthly with Core Team members from the Mid- and South Atlantic Councils to discuss IRA projects.
