Ecosystem-Based Fishery Management Plan Development Team (PDT) Meeting

Date: Friday May 10, 2019
Time: 9:00 a.m.
Location: Hampton Inn and Suites
2 Foxborough Blvd.
Foxborough, MA 02035
Phone: (508) 623-2555

Agenda:

- Continue work to draft discussion documents that focus on strategies and options for incentive-based measures and on data monitoring and research. These documents will be presented to the EBFM Committee at its June 10, 2019 meeting. These documents are intended to be incorporated into the example Fishery Ecosystem Plan (eFEP) that the Council is developing

Directions:

From I-95 South: Take exit 7B to merge onto MA-140 South/Commercial Street. Follow to 2nd light and take a left onto Forbes Boulevard.

From I-95 North: Go toward Providence, stay on 95N exit 7A to merge onto MA-140S toward Mansfield. Turn left on Forbes Boulevard and left onto Foxborough Boulevard.

From I-495 North or South: Take exit 12 toward MA-140N/Mansfield. Continue on MA-140N/Commercial Street to Foxborough Boulevard.

The New England Fishery Management Council generally posts announcements of Plan Development Team (PDT) meetings on the Council's website, occasionally with very little notice. An agenda may or may not be included. Team members may discuss topics, if listed, in any order or add other issues not contained in the meeting notice.

Members of the public may attend PDT meetings, or listen in if the meetings are broadcast, but should not expect to participate unless the PDT chair invites input. Public comments and questions will not be taken during PDT conference calls.

PDTs are responsible to the Council and work on technical analyses as directed by their oversight committee. Once complete, PDT work products are reviewed at oversight committee meetings to which the public is invited. It is at this point that comments are encouraged on a range of issues, including PDT reports and recommendations, proposed management options or other information that is relevant to the committee's business at that time. The committee, in turn, makes management recommendations to the full Council based on the full suite of information it has available to it.
