Meetings Topics. The following section outlines the meeting expected outcomes and future related meetings by discussion topic.

Framework Adjustment 58: Specifications and Management Measures

The U.S. Transboundary Management Guidance Committee (TMGC) Co-Chair will provide an overview of the recent TMGC meeting (Doc. 3). Then, Council staff will provide an overview of the draft alternatives and Plan Development Team (PDT) analysis (Docs. 2, 4a-4d, and 6c). The Advisors may wish to make recommendations to the Committee.

Amendment 23: Groundfish Monitoring

Council staff will provide an update on progress on Amendment 23 including recent PDT analysis, and a progress report from the Fishery Data for Stock Assessments Working Group (Docs. 2 5, and 6b). The Advisors may wish to make recommendations to the Committee.

Possible Priorities for 2019

The Advisors may wish to develop initial recommendations to the Committee regarding priorities for 2019.

After the Meeting

The Committee will discuss Framework Adjustment 58 and Amendment 23 immediately following the GAP meeting on Sept. 18, 2018. The Council will discuss these items on Sept. 26, 2018. The Council is scheduled to hold an initial discussion of 2019 priorities on Sept. 27, 2018. The Council plans to have a full discussion of 2019 priorities at its December meeting.

Drafting Motions. You are encouraged to prepare motions in advance and either bring them to the meeting or send them to Jamie Cournane (jcournane@nefmc.org).
