

EBFM Approaches

Andrew Applegate
NEFMC Staff

EBFM PDT Chair

EBFM Committee
May 22, 2014

EBFM examples

- National overview
 - Policy – Galen Tromble
 - Ecosystem science – Jason Link
- Outline potential EBFM approaches
 - SSC white paper – Jake Kritzer

EBFM examples

- Regional applications
 - SAFMC
 - Focus on data and science development
 - Support of Coral FMP
 - PFMC - presentation
 - NPFMC
 - Aleutian Islands FEP completed; addresses special AI circumstances; guidance to other FMPs, but no initiatives
 - Bering Sea FEP – scoping and under development; may have ecosystem initiatives
 - WPFMC
 - Spatially oriented archipelago FEPs

EBFM examples

- Regional applications
 - CFMC – proposed revision of ABC specifications by location
 - GSFMC – promoting multispecies assessments that include trophic relationships; no formal FEP development at this time

EBFM examples

- Other countries
 - Australia – Ecological risk assessment applied to regional and fishery FMPs
 - Canada – Guidance document for IFMPs
 - Iceland – EBFM considerations in existing plans; network of fishing area closures
